Discussion Group Heaven

In the book 'Heaven', Paula Gooder considers the ways in which the Bible sees heaven and earth connecting, and explores all the major strands of belief about life after death, including the role of paradise, and what happens between death and resurrection. She shows how the biblical writers see heaven and earth as closely connected, so that what happens in heaven affects events on earth and vice versa. You might like to buy the book and read along with us, but it is not essential.
